WTV 6 Training Session

Present : Brad Macauley, Stephen Flanders, Paul Hague, Donna Osborne, acting secretary, Ray Eaton, Chairman Will Ottery

Paul Hague started a training session on how to run Bicycle Tapes.

6:15 Craig Slattum entered and took over as secretary.

Training continued with Paul entering Bicycle Tapes into the system and then each member also entering a tape as an exercise only. Each tape was deleted with the exception of 2 that would run 5/10/08 at 8:00 AM and PM.

6:30 Selectman Helene Kurk entered. Training continued with all viewing the person training on the programming computer.

Political Chowder goes in slot #4 and is programmed to run every Friday, Saturday, and Sunday at 8:00 PM. A suggestion was made that a one page calendar be placed on the table in the BOS Meeting Room so that the viewers would know if the meeting was live or a tape. Will Ottery will look into this.

Training adjourned at 7:30 PM
